CSX Collection

The CSX Loan Collection consists of minute books, annual reports, and business records of the B&O Railroad, C&O Railway, Western Maryland Railway, and other subsidiary companies of CSX Transportation. A basic inventory of this collection has been compiled. The items in this collection are on loan, therefore access to certain records may be restricted.

Researchers interested in accessing records from this collection should contact the HTWRL to make an appointment:

<http://www.borail.org/research-inquiries.shtml>

Please note there are fees associated with using the library and duplicating its sources: <http://www.borail.org/fee-schedule.shtml>.

Anyone wishing to make copies within the HTWRL whether from original sources or published materials is required to adhere to all laws pertaining to copyright. Some materials may not include a formal statement of copyright but may still be protected by copyright law. Uses may be allowed with permission from the rights holder, or if the copyright on the work has expired, or if the use is "fair use," or within another exemption. The user is responsible for ensuring permission to use has been obtained from the copyright holder prior to use and is accountable for lawful use or misuse.
