

# SENSORY SUNDAYS AT THE B&O

Feb. 13, Apr. 10, Jun. 12, Aug. 14, & Oct. 9, 2022

## Help the B&O Support Visitors with Autism & Sensory Processing Differences

The B&O is proud to offer the opportunity to be a part of our Sensory Sundays for children and guests with Autism Spectrum Disorders (ASD) and sensory processing differences. Drawing many dedicated visitors and families seeking a more accessible Museum experience with extended hours, modified lights & sounds, and additional staff, this event is the perfect way to reach and show your support for these dedicated members of our community.
