

Give a Child
MAGIC
for the Holidays!

Sponsor a Polar Express Train Car!

NOV. 25-27 & DEC. 2-4, 9-11 & 16-19, 2022 | TRAIN RIDE: 76 SEATS PER CAR / 380 TOTAL

Last year, through the generosity of a donor, the B&O Railroad Museum was able to offer an entire train car to children from the community who would not have otherwise been able to experience the joy of the Polar Express.

This year, the B&O wants to donate a full train – five train cars – for children from the local community. The B&O Railroad Museum will proudly make it known that children are riding in your company's Polar Express Car.

Your company can purchase a train car(s) for \$6,000, which will afford 76 children/families the opportunity to ride the Polar Express Train Ride to the magical North Pole! Each child will receive a set of pajamas to wear on the Polar Express, hot chocolate, a silver bell, and a Polar Express book, and memories that will last a lifetime!
