A Social Narrative for Young Children

I am going on a trip to the B&O Railroad Museum!

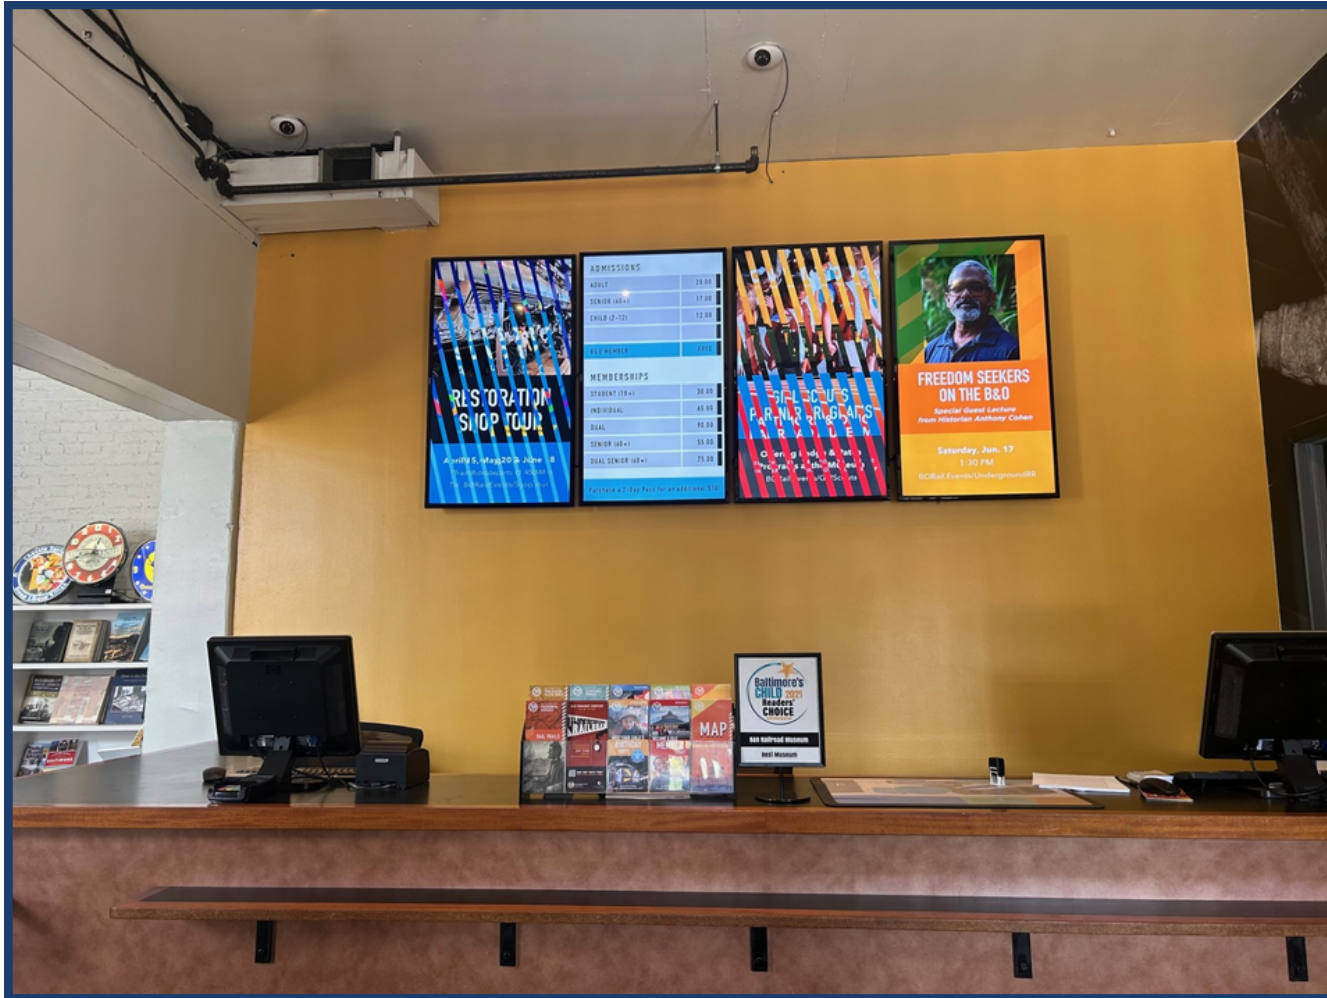

When we arrive, we will go through a large gate and park in the parking lot. There are trains in the parking lot I can look at.

Next, we will walk to the entrance of the museum. I can follow the signs to find it. It is important for me to listen to directions and stay with my adult.

During my visit we will go to Toddler Time! My adult will purchase tickets from the museum staff when we arrive.

After getting our tickets, we can go into the Roundhouse. There are a lot of trains to look at in this building.

We can follow the signs to Junior Junction!

At 10:30 a museum staff member will have everyone sit on the carpet or a chair nearby. If I am early, I can read a book or play with trains.

First, we will sing some songs about trains. I can use an instrument if I want to!

Next, we will put away the instruments and start reading a story.

If I need to move around during story time that's okay! It can be hard to sit still sometimes.

After story time there will be a craft I can do.

There might be a train ride after Toddler Time. I can ask my adult if we will ride the train.

Now I can explore the museum! There is lots to see and learn.
