

# SENSORY SUNDAYS AT THE B&O

First Sundays in February, April, June, August & October 2024

## Support Special Programming for Visitors with Autism & Sensory Processing Differences

The B&O is proud to offer the opportunity to be a part of our Sensory Sundays for children and guests with Autism Spectrum Disorders (ASD) and sensory processing differences. Sensory Sundays draw many dedicated visitors and families seeking a more accessible Museum experience with extended hours, modified lights & sounds, and additional staff.

**This event is the perfect way to reach and show your support for these dedicated members of our community.**
