

Day Out with Thomas at the B&O Railroad Museum

A Social Narrative for Young Children

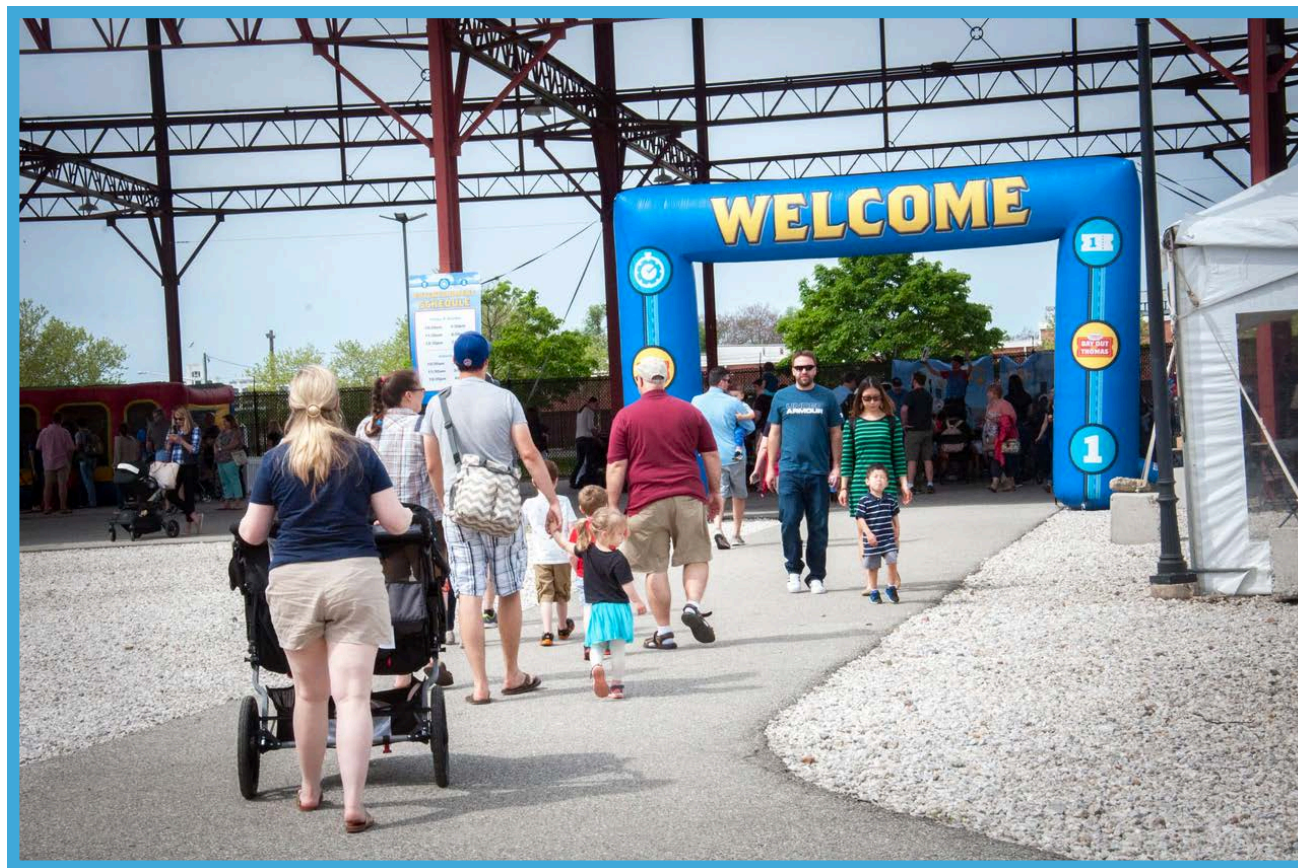

I am going to Day out with Thomas at the B&O Railroad Museum! The museum will have a lot of special activities.

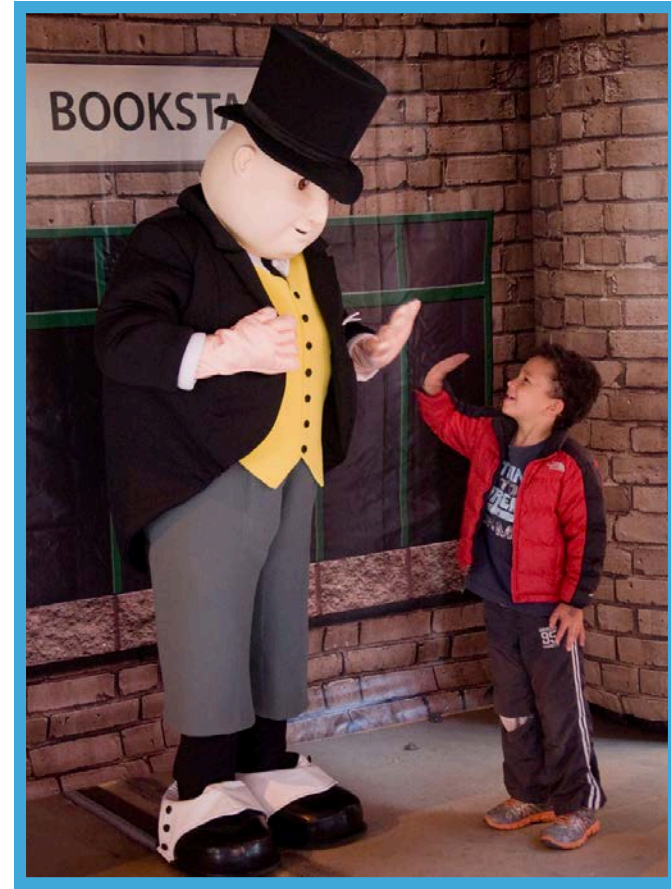

When I arrive I will have to wait in line to check-in. I should stay with my adult while at the museum.

I can choose what order to do activities.
My adult will tell me what time our train
ride is scheduled for.

For my train ride with Thomas I will wait in line and show my ticket to the conductor.

I can take my photo with Thomas the Tank Engine and meet Sir Topham Hatt, there might be lines!

In the Roundhouse there will be a Play Pod with toy train tables and other activities.

If I need a break I can visit the Bank of America Gallery for a quiet space.

Outside, I can ride the children's rides or play on the playground.

I can visit the G-Scale Model Train in the Backyard
or go to the gift shop.

Celebration Station will have more activities I can do like games and bubbles.

If I visit the Craft Tent I can make art projects like a party hat or a bookmark.

I can visit the pavilion with entertainment, games, and snacks.

When I am ready to go home I will
exit the museum with my adult.
