MAKE YOUR WEDDING

A HISTORIC MOMENT

EXCEED EXPECTATIONS

A setting that feels at once amply spacious and warmly intimate, the B&O Railroad Museum strikes a balance that few other venues can. Your guests will feel close but never crowded, and comfortable but never distant, as they come together to celebrate your love at the birthplace of American Railroading. Whether you're sharing your first slice of cake in our historic Roundhouse or your first moonlit dance beneath our outdoor pavilion, the B&O is the perfect backdrop for the moments that matter most.

“ I couldn't imagine a more perfect wedding day! The B&O was beautiful. It was spacious but yet felt close together and made for a perfect night of dancing and celebrating. If we could do it all again, we would do it the exact same way! ”
